

Ellen Chadambura – domestic worker/nanny

Ellen Chadambura has been a member of our family since Anya was just over 1 years old.

She is now looking for a full-time (preferably) or part time job as we no longer need her. Ellen prefers to live in but this is not essential. She lives in Craighall Park, when not at our house.

Ellen is a champion house-cleaner and sets our house to rights in a flash. She washes and irons speedily and effectively.

Ellen has looked after our children (4 and 7) when needed and plays a mean game of hide-and-seek and freeze tag!

She also house-sits and looks after our dog when we are away.

Please give her a call on 062 019 2231 directly or call me for a reference (Lauren – 082 909 6298)

Two semi-detached 3 bedroom, 2 bathroom units are coming available for rent in Blairgowrie on the 1st April. Private gardens and good security. One unit has a lock up garage, the other has an en-suite bathroom.

A 2 bedroom 1 bathroom semi-detached unit is available from 1 May, also in Blairgowrie.

Although units are semi-detached, they are private with own entrances and gardens. There is a large, shady, communal garden, with plenty of play equipment, a bike track and trampoline available which is ideal for children. Sadly, NO PETS ALLOWED.
