#### SCHOOL SANITISING

Some parents have enquired what products we are using at Greenpark as their children's skin is very dry. Please note that Greenpark only uses pure glycerin soap for hand washing and the sanitizer and disinfectant we use contains no alcohol or ethanol. Bear in mind that our Joburg winters are particularly dry and some extra moisturising is usually necessary.

#### ACTIVITY PACKS

Activity packs for the families who have chosen online learning will be available from Elvis from 9am on Monday morning. He is here from 8am - 4pm daily and you may collect your pack any time.

Please let us know if you do not require an activity pack as the packs take time and planning and it is very disheartening for the teachers when they make an effort and the packs are not collected.

If you are an online learner PLEASE return all puzzles, library books and bags - there are still many outstanding.

#### STAFF NEWS

Welcome to Miss B, back at school after isolating and a big thank you to Mrs. Elsworth for fabulous online teaching.

Please note that you can contact the teachers personally by leaving a message with Nola during school hours and the teacher will call you back. Please do not contact teachers on their personal cells - their numbers were available during lockdown as an exception.

### ICE LOLLIES AND PIZZA

Please pay for ice-llies and pizza for Term 2. As we do not want to handle money unnecessarily, we are asking all groups to pay upfront for the term.

Cost: R145

Our Snapscan QR code is at the gate every morning and afternoon.
